

SOUTHLAND FAMILY CLUB

Southland summer hours start on Friday, May 26!

Spring is arriving soon, so that means pool season is just around the corner! Get your swimsuit ready because fun at Southland Family Club is on the horizon!

Southland will open with a "soft opening" on Saturday, May 20, and Sunday, May 21. Southland will then be closed until school lets out and will open for regular hours on Friday, May 26.

We are looking forward to seeing you and having a great summer of family fun. We have several new things in store for our members this year, and can't wait to show you some of our off season improvements! As always, if you have any questions, comments, or suggestions, we would enjoy hearing from you.

SHARK CARDS: If you don't want to have to remember to bring money to the pool for the concession stand, purchase a Shark Card! You can do that online or on your membership form when you pay your dues. All Shark Cards will be stored digitally at the concession stand this year!
